A Trip to Hell (Full Version)

주님말씀

Lord: "There are so many people like them  
who walk on the path of Hell that it is countless now."

주님말씀

"These people are following the path to Hell without any awareness that their destination will be Hell."

더 생생하고 현장감 있게  
지옥에 대해 알리라는  
주님의 응답을 받아  
새롭게 영상을 제작하게  
되었습니다.

I heard a voice of the Lord telling me that I need to let everyone know about Hell much more clearly and vividly, so we remade this video.

지옥을 그린 화가의 이야기...

The story of the artist who drew about Hell...

주님의 인도하심으로 지옥의 실체를 그림으로 전합니다.

With the guidance of the Lord,  
I preach the realities of Hell through paintings.

During prayer, I began to grind my teeth against my own will  
and I couldn't stop it.

At that moment, the scripture, Matthew 25:30  
passed through my mind.

## 마태복음 25:30 (Matthew 25:30)

이 무익한 종을 바깥 어두운 데로 내어 쫓으라  
거기서 슬피 울며 이를 갹이 있으리라

And throw that worthless servant outside, into the  
darkness, where there will be weeping and gnashing  
of teeth.

The words, "It's hot!" came out of my lips and I realized that my spirit  
was going through the sufferings of Hell.

Then, I saw series of four images.

I realized that this woman had been a woman with many sexual experiences.

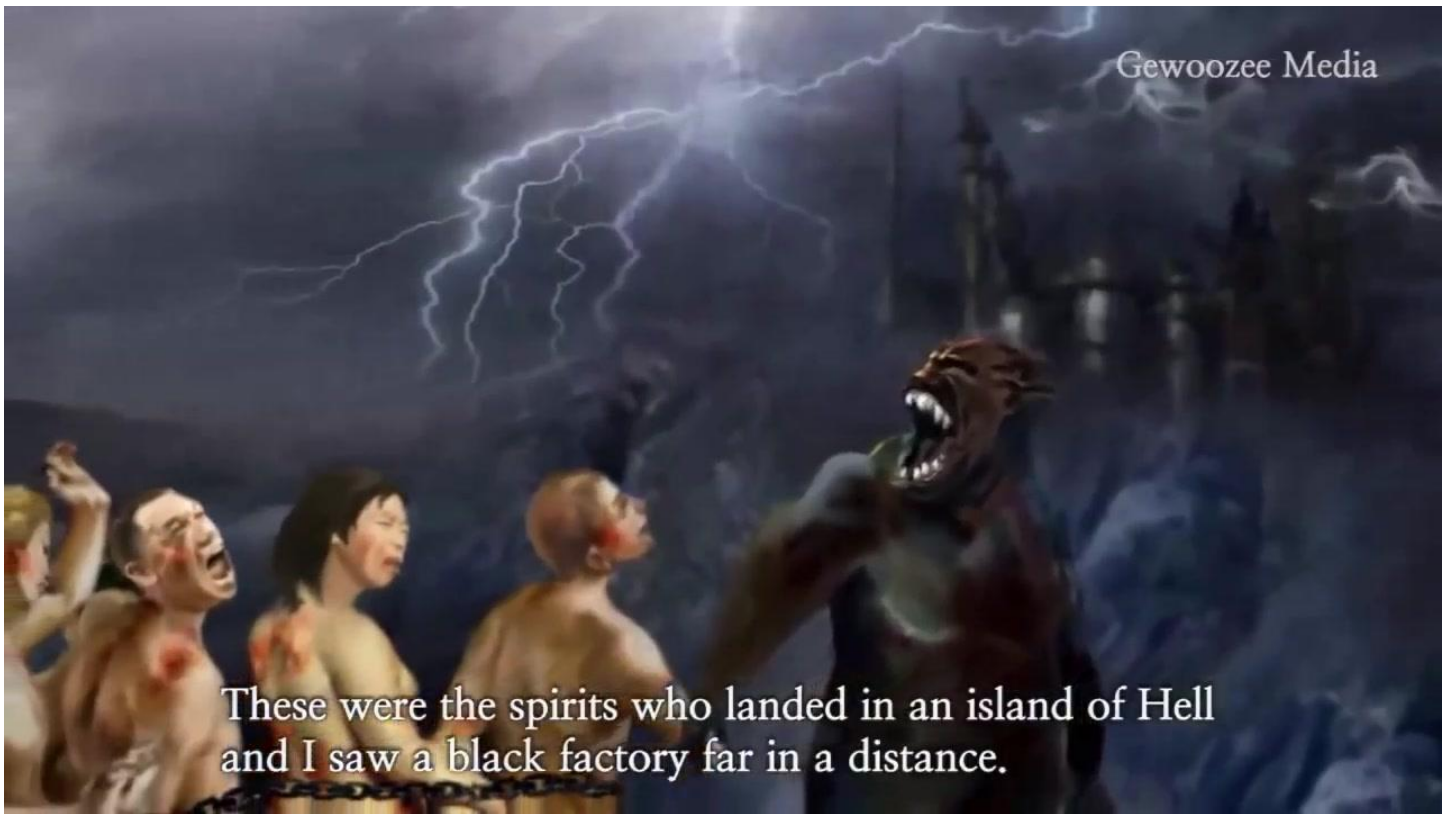

I realized that this man had been a man  
who had committed sins with his lips.

Satans ripped the flesh of the man's spirit,  
roasted it, and enjoyed it as food.

These were the spirits who landed in an island of Hell  
and I saw a black factory far in a distance.

The feeling of intense fear and dread did not leave me.

Even by then, I did not know why I saw those things.

As an artist, I was inspired to let people know the heart of the Lord in this time period through my paintings.

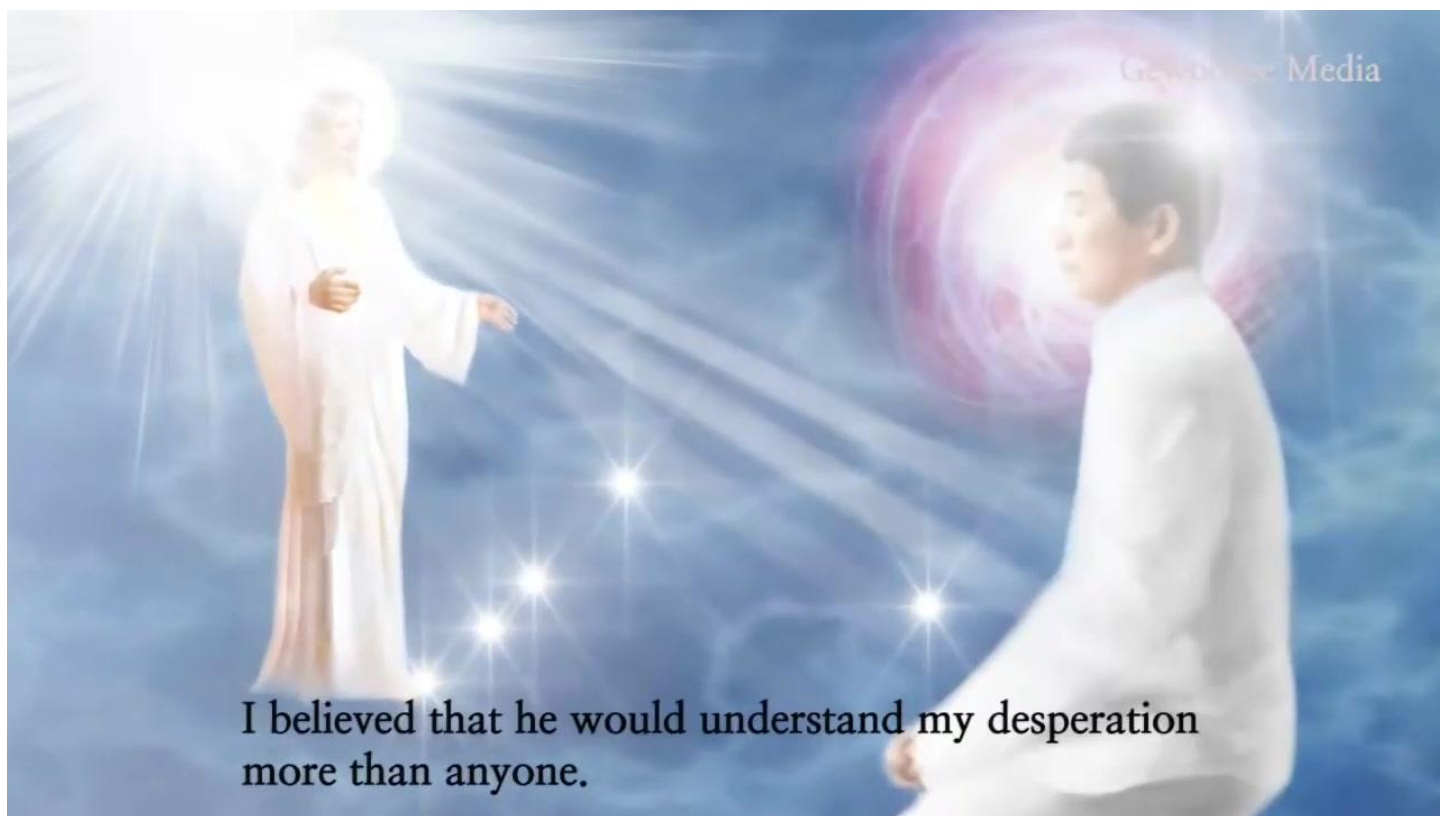

So I expressed my desperation to my pastor  
and asked for his prayer and advice.

I asked my pastor because he is a person  
who meets the Lord through very deep prayers,

I prayed deeply so that I can feel and confirm for myself by actually going there in spirit.

After I saw and visited Heaven and hundreds of various other spiritual worlds,

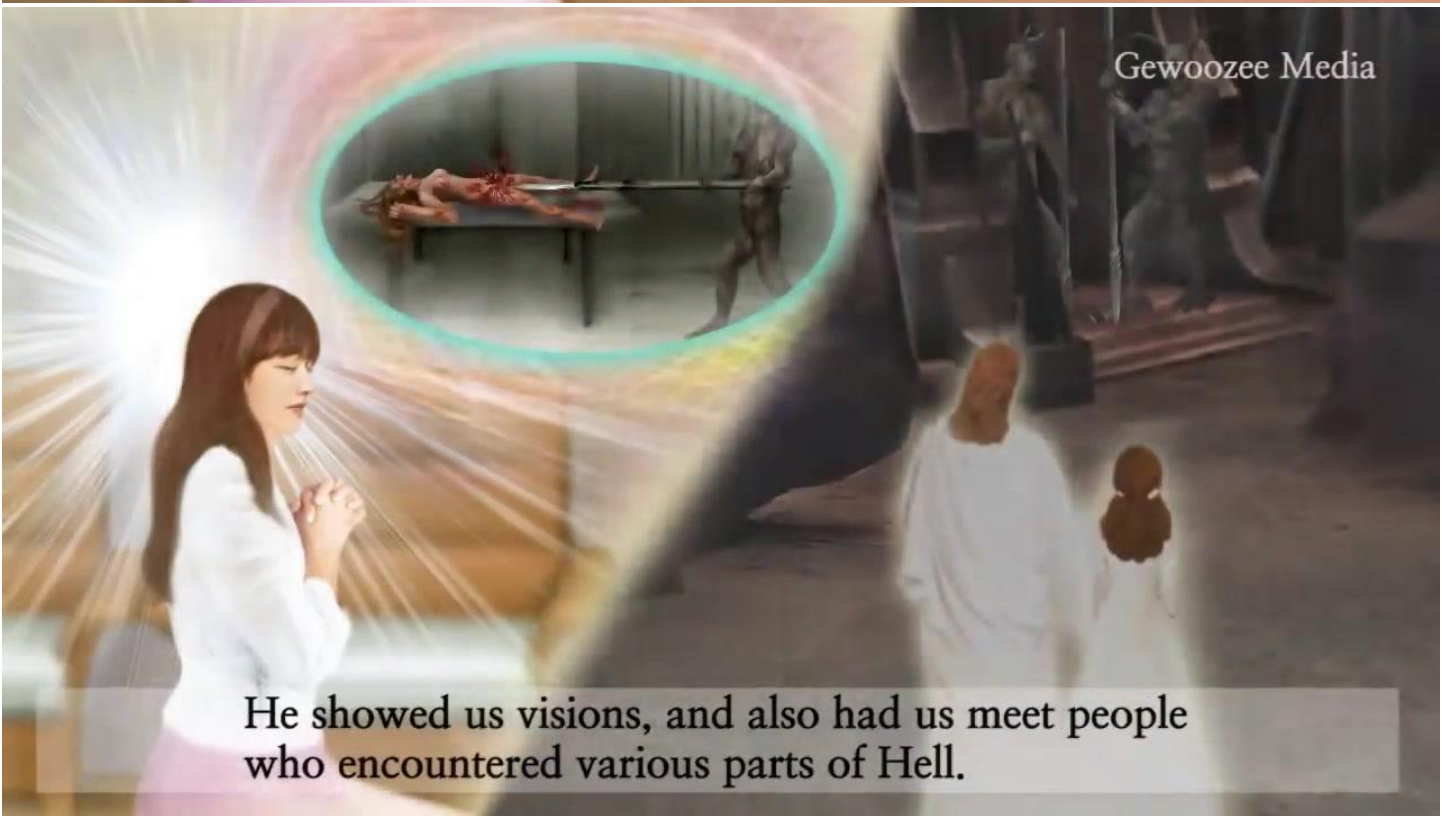

In the midst of wondering how we should portray Hell, the Lord helped us in so many ways.

He showed us visions, and also had us meet people who encountered various parts of Hell.

지옥을 마약하게 생각하고 차가 속에 살고 있습니다.

These people said that they did not experience Hell because they themselves wanted to experience it

조으며 끌이데 하며...

but it was possible only because the Lord permitted it and took them there personally.

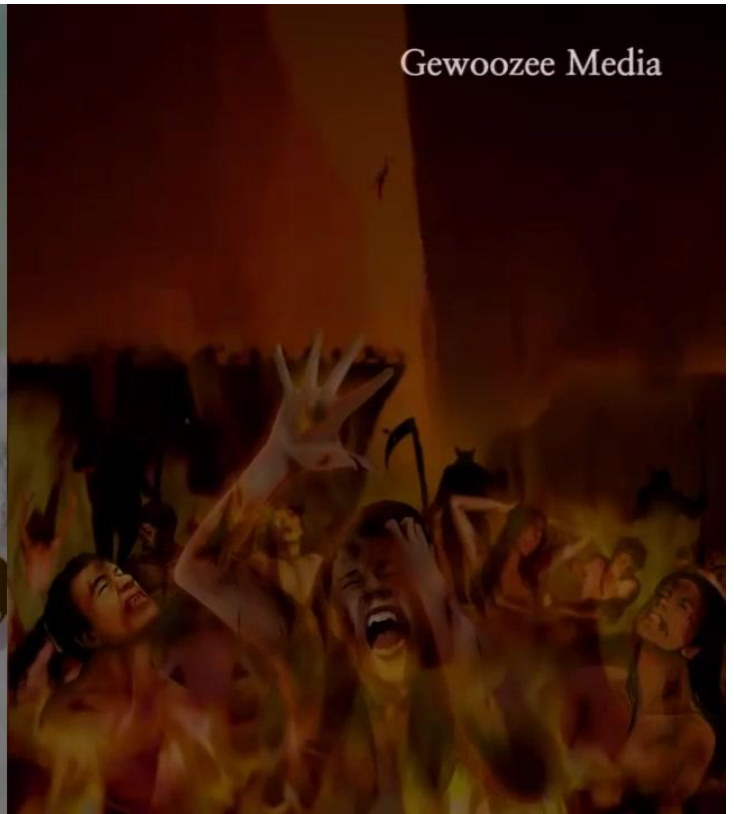

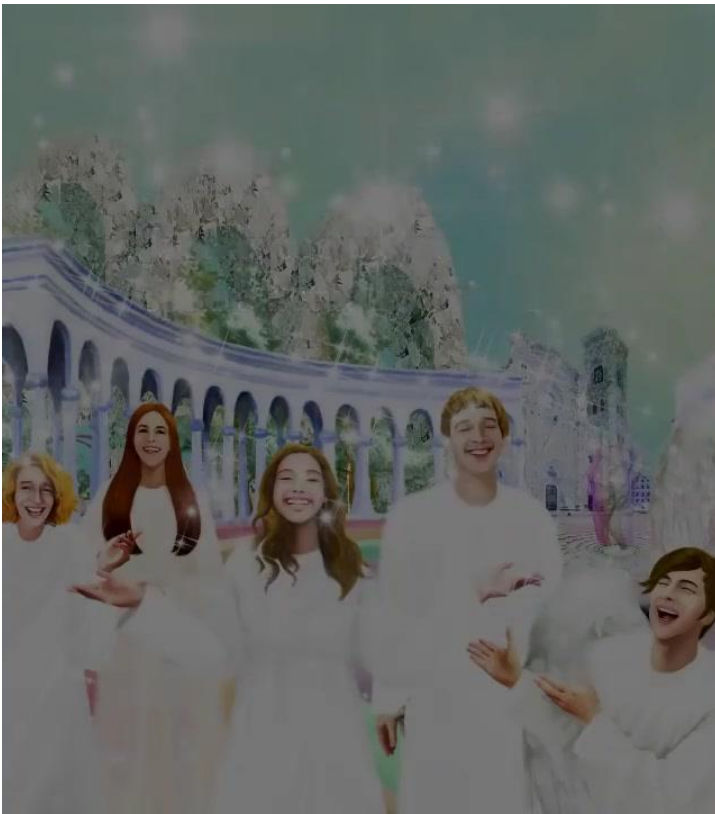

사람들은 천국과 지옥을 하나의 관념적인  
꿈결같은 세계로 생각합니다.

People tend to think that Heaven and Hell  
are only a conceptual world of dreams.

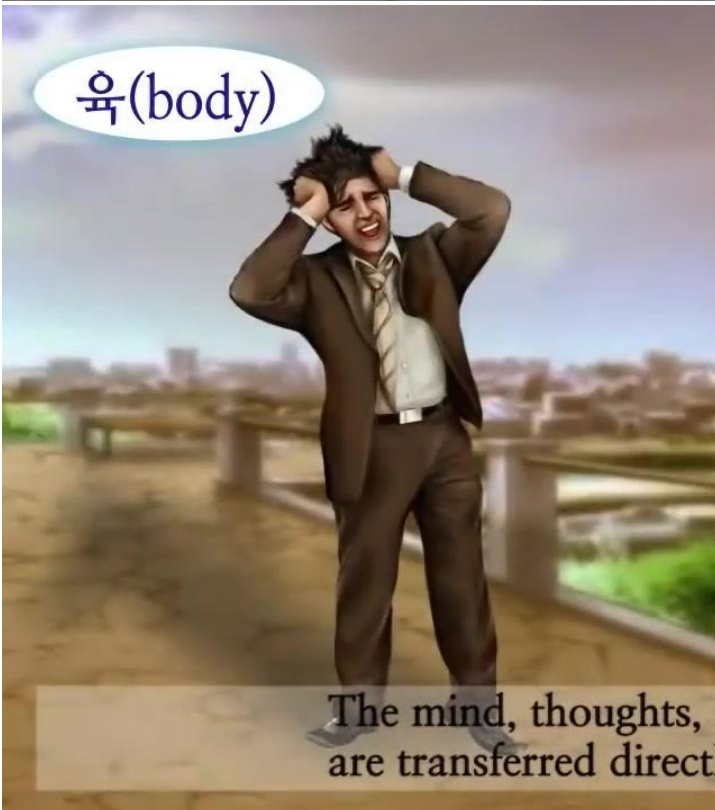

이 지상에 육신도 세상도 실제로 존재하듯이,  
영도 실제로 존재하고 각종 영의 세계도 실제로 존재합니다.

Just as the physical body and this world actually exist,  
spirits actually exist and so do the various worlds of the spirit.

Also, the spirit can sense things just as the physical body can but it can feel things more sensitively and intensely.

The joys of Heaven and pains of Hell can also be felt much more intensely than one would with a physical body.

Gewoozee Media

and those who do not think they exist, believe that they do not exist in their hearts.

Gewoozee Media

A video of Heaven or Hell cannot be recorded and brought back so the Lord showed what they are like through these artists.

that are expressed through these paintings.

# 살인자 지옥

(Hell for Murderers)

There were outcries from spirits who were being cut like slabs of meat all over the place in the human meat market.

The flesh were being cut and hung throughout the place  
and a huge satan with a beast-like face held a big knife,

"천하보다 값진 것이 생명이다"  
"Life is more valuable than the heavens and the earth"

and slid them down on the fluid that secreted from the walls like "water slides".

The people who received the suffering of being thrown over the cliff are people who felt neglected in love and felt left out.

On the floor of the basement section of Hell, there was a huge shovel that was placed on a rock like a seesaw.

There was a fat but nimble satan and the moment he jumped up and down the handle of the shovel,

Gewoozee Media

the man screamed and flew high up in the air and disappeared.

(Verbally))

Lord: "For those who cut me to pieces, disregard my words,

악평자 지옥  
(Hell for Slanderers)

주님말씀

Gewoozee Media

it gets relayed to another person and so forth  
until it becomes a widespread rumor within moments.

주님말씀

Gewoozee Media

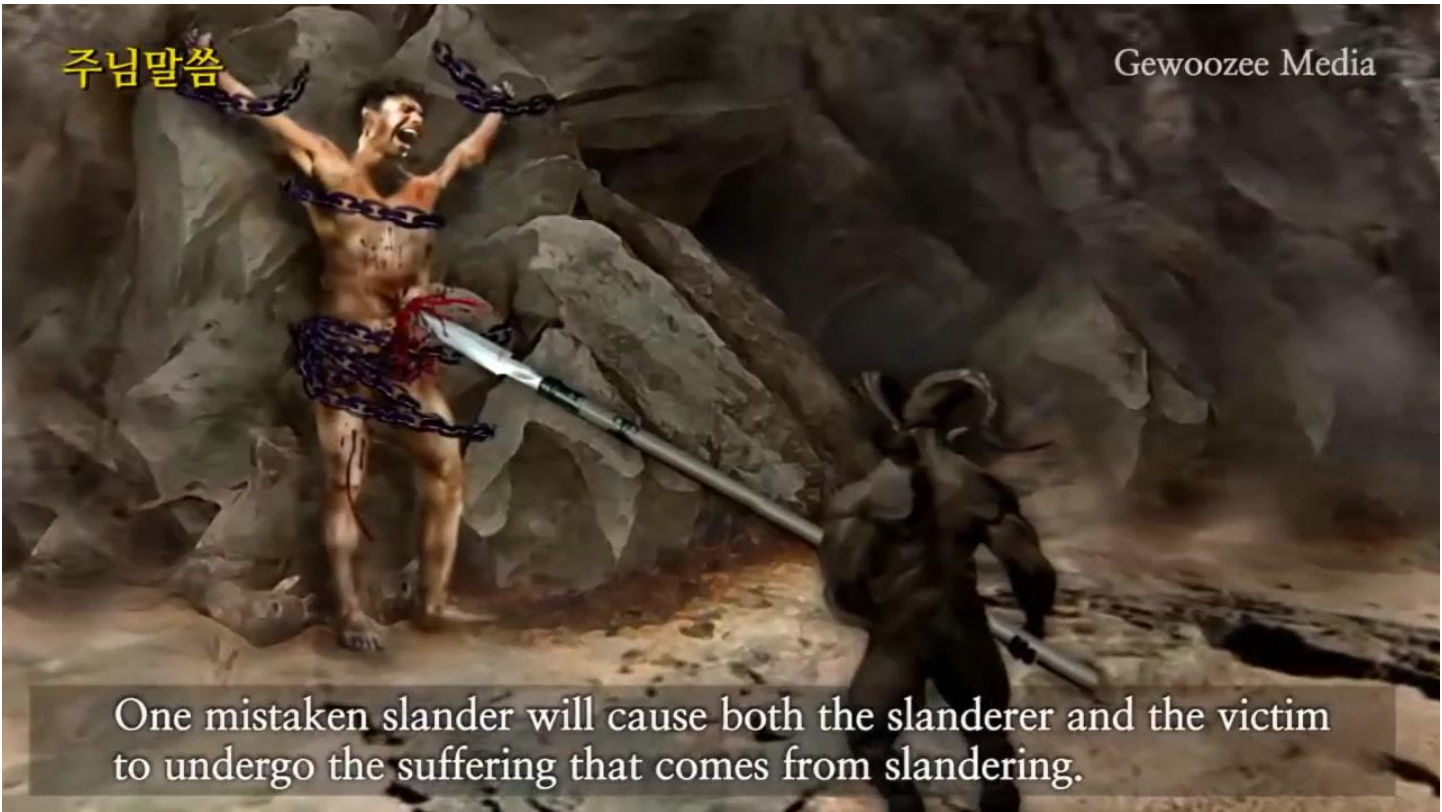

The tongues of people who make slandering their duty  
are similar to the tongues of Satan.

주님말씀

Gewoozee Media

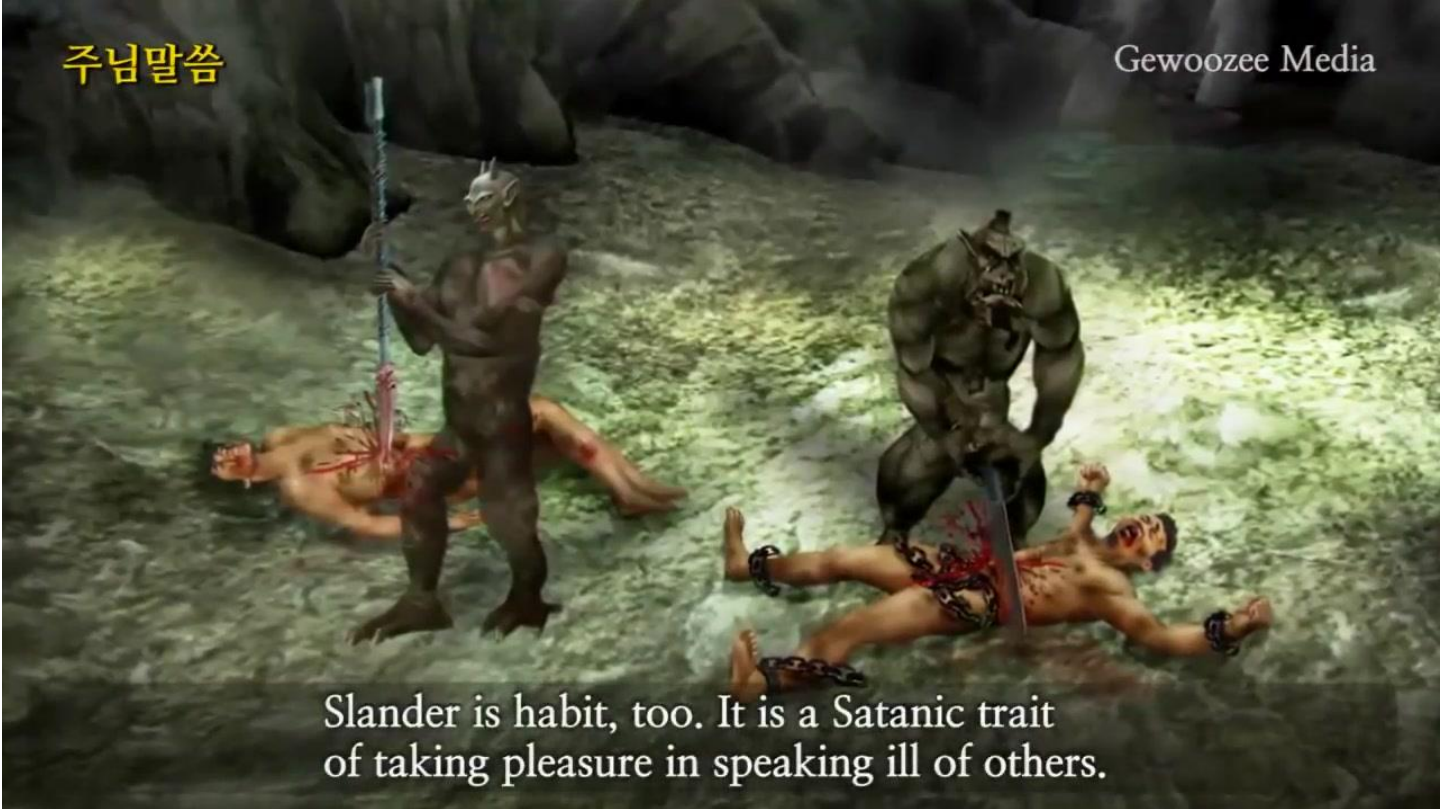

One mistaken slander will cause both the slanderer and the victim to undergo the suffering that comes from slandering.

The image depicts a man in a dark, rocky cave. He is bound by thick, dark chains around his wrists, neck, and waist. He is shirtless and has visible wounds on his chest and back. A large, silver, sword-like object is impaled into his back. He is screaming with his arms raised. In the background, a dark, muscular devil with horns and a tail is visible, holding a similar sword-like object.

주님말씀

Gewoozee Media

Slander is habit, too. It is a Satanic trait of taking pleasure in speaking ill of others.

The image shows a dark, rocky cave with a greenish, misty floor. Two men are lying on the ground, appearing to be in pain. One man is on the left, and the other is on the right. They are both shirtless and have visible wounds. Two devils are standing over them. The devil on the left is holding a long, silver, sword-like object. The devil on the right is holding a large, silver, sword-like object. Both devils are muscular and have horns and tails.

주님말씀

Gewoozee Media

I, Lord, say unto you to please eliminate the seed of such slander."

Gewoozee Media

Satan kept shoving rocks into the mouth of the man.

Numerous men lay on the floor with a robotic facial expression as if they had no thought in them,

and their faces were pale and gray with their eyes staring blankly.

I heard a noisy crowd in my ear. That noise was truly like the sound of Hell that I had heard on the internet

When I listened closely, I heard that they were voices of people who were grumbling and complaining.

It is the Lord's fault! It is God's fault!  
It is your fault! It is all the pastors' fault!

I heard every one of them complain that it was someone's fault.  
Their complaints were so loud that it hurt my ears.

# 이성범죄자 지옥

(Hell for  
Those Who Commit Sexual Sin)

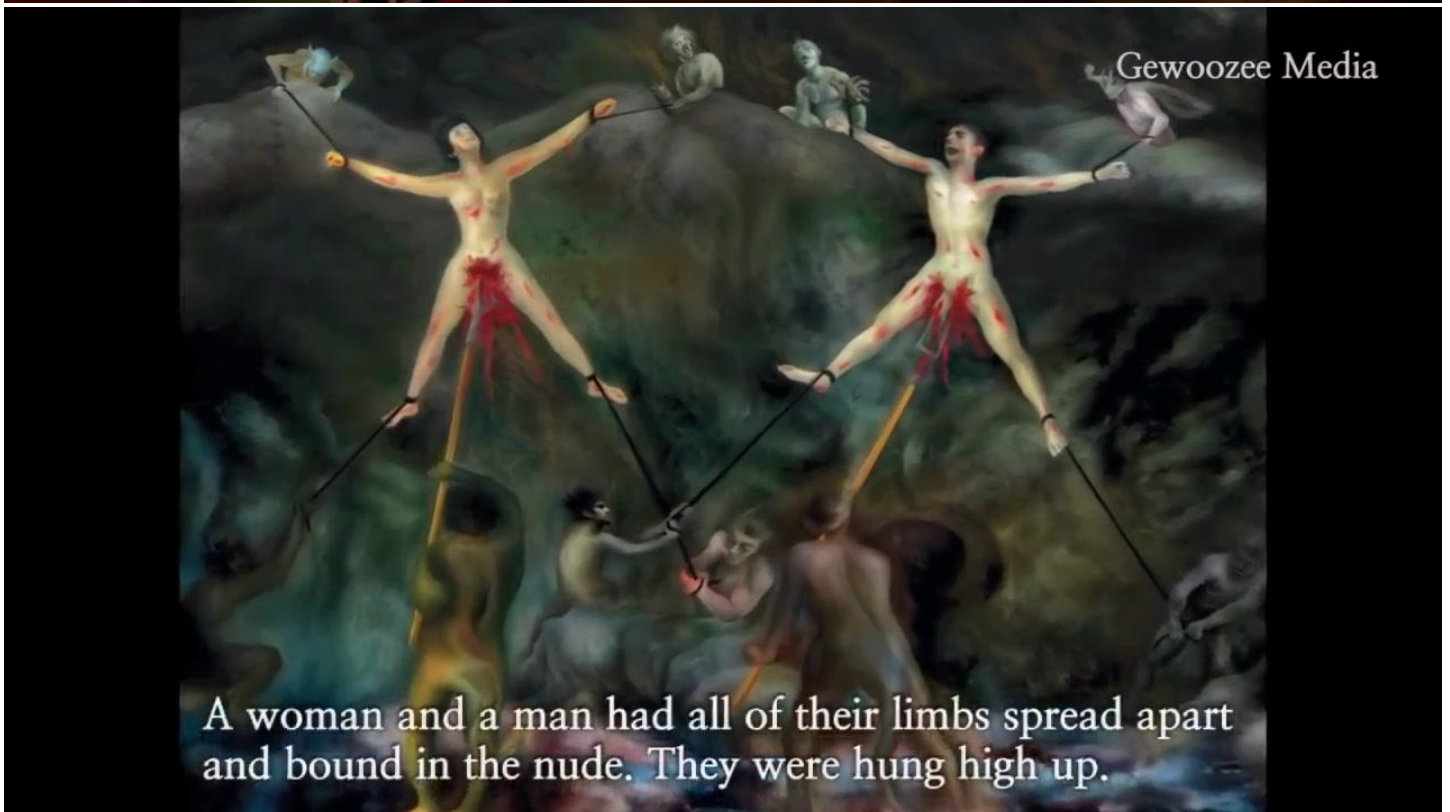

if it was done outside of the law  
that the Almighty God had given to human beings,

People commit sexual sins  
but they believe that it is just one of the ways of life.

The reason is that our body was not created as tools for pleasure.

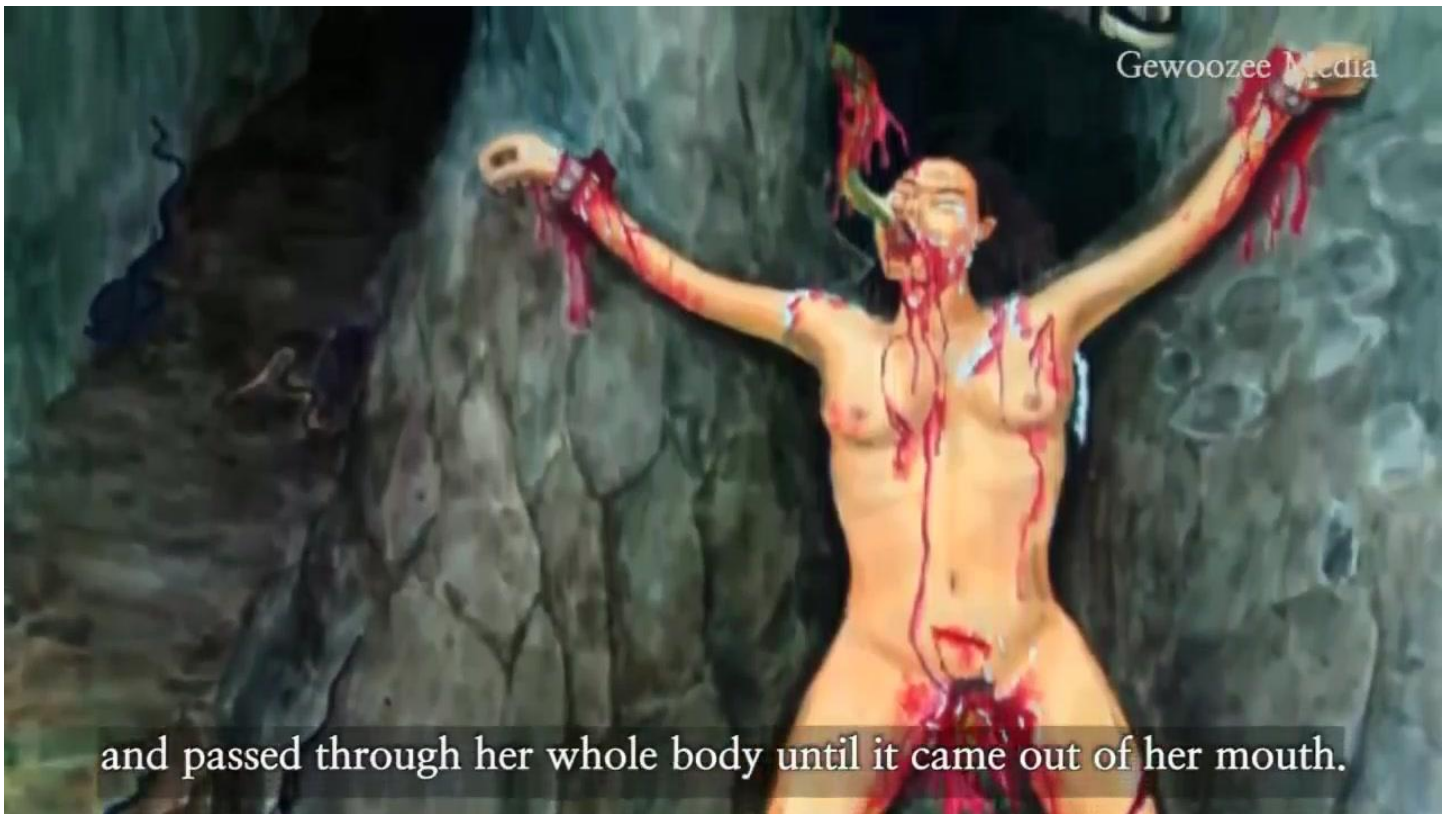

A woman and a man had all of their limbs spread apart and bound in the nude. They were hung high up.

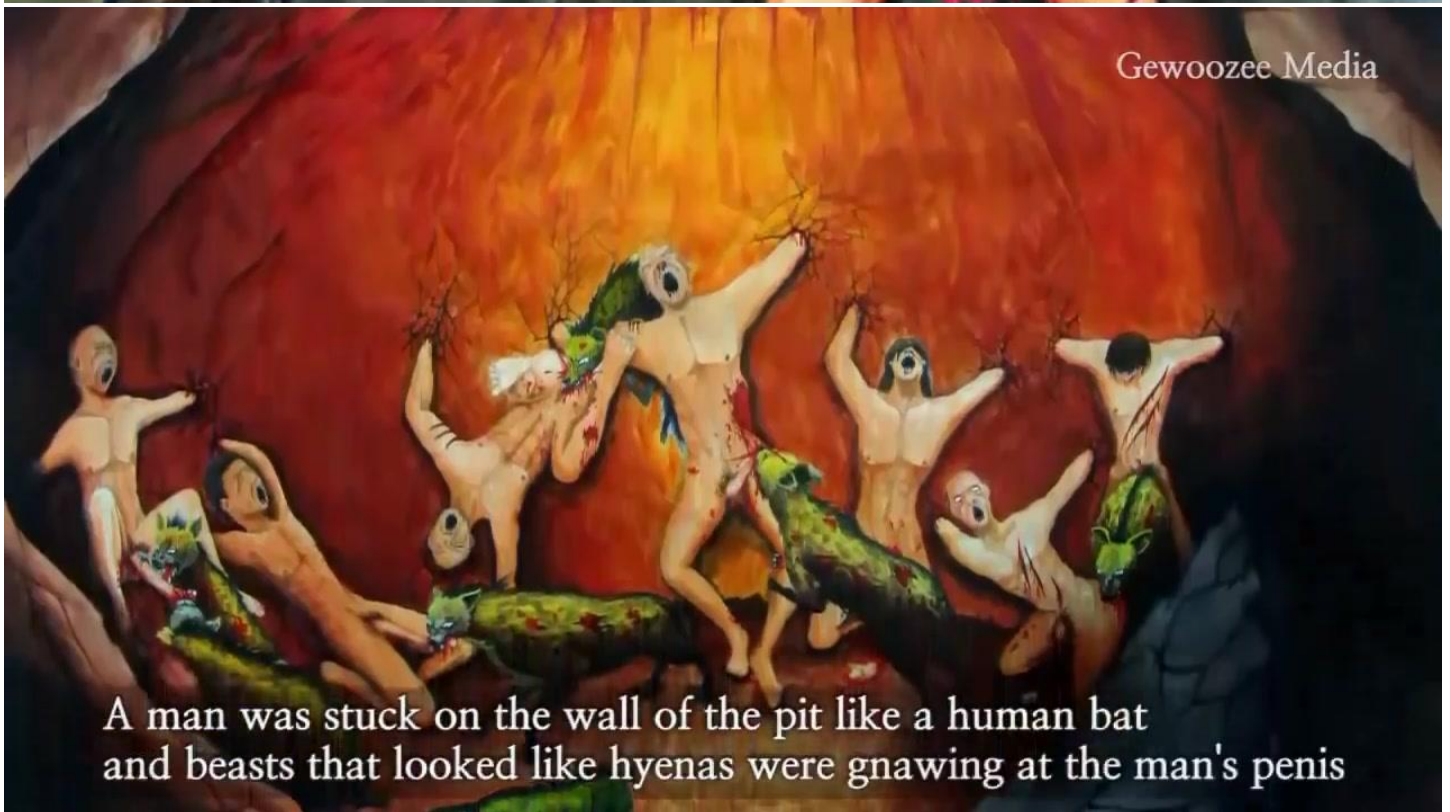

The satans had 2-3 meters long spears and pierced them "puck, puck!" into the genitalia of the woman and the man again and again.

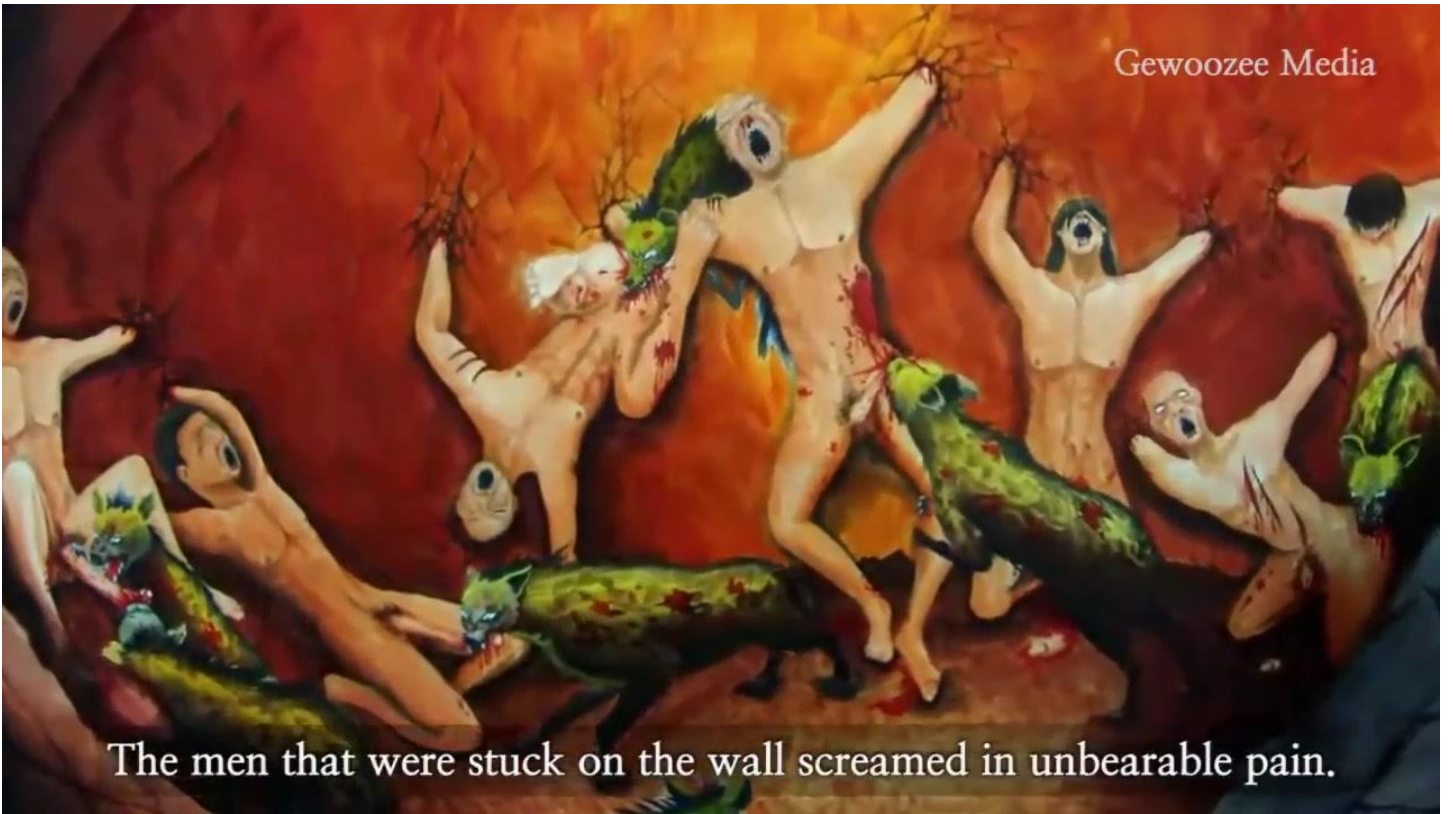

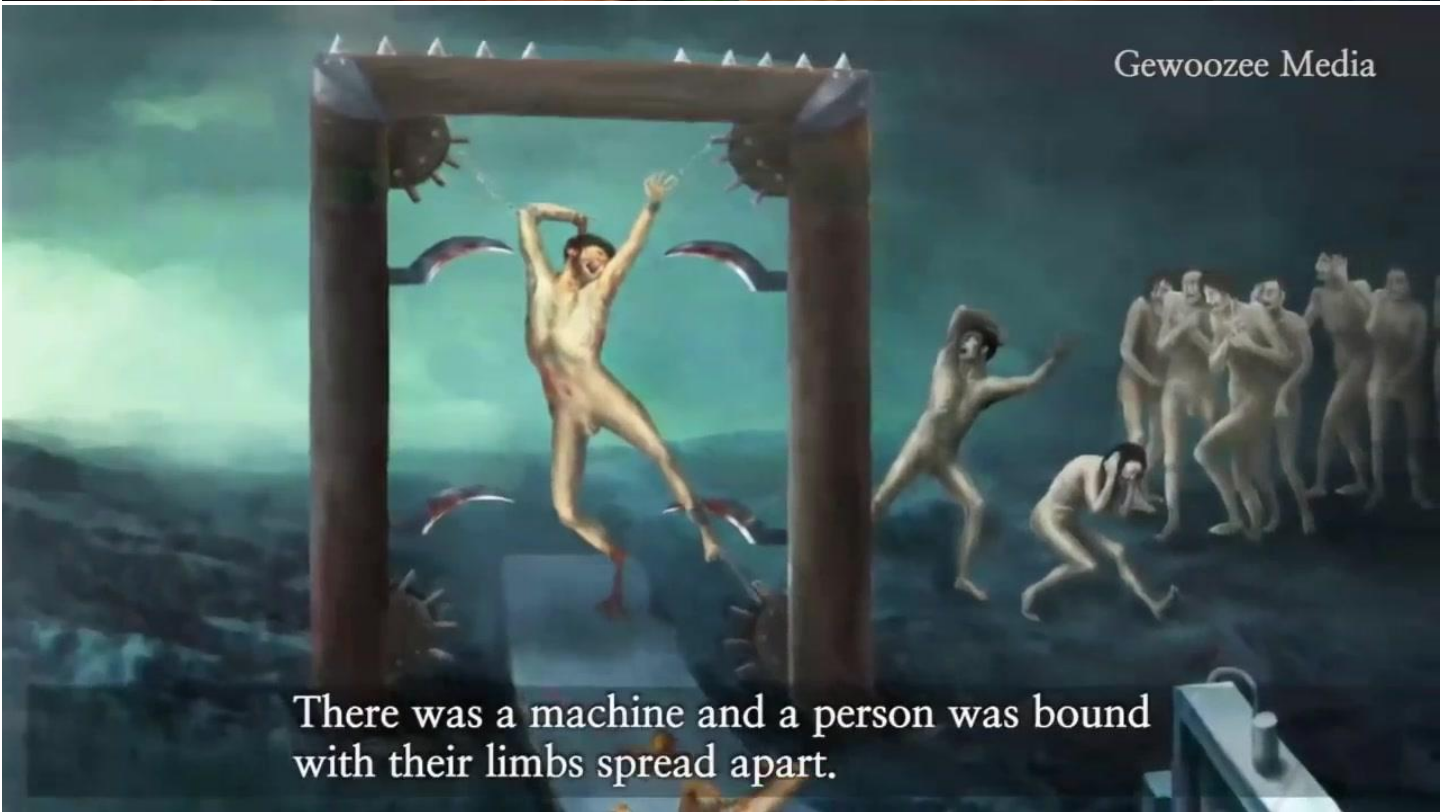

and passed through her whole body until it came out of her mouth.

A man was stuck on the wall of the pit like a human bat  
and beasts that looked like hyenas were gnawing at the man's penis

The men that were stuck on the wall screamed in unbearable pain.

There was a machine and a person was bound with their limbs spread apart.

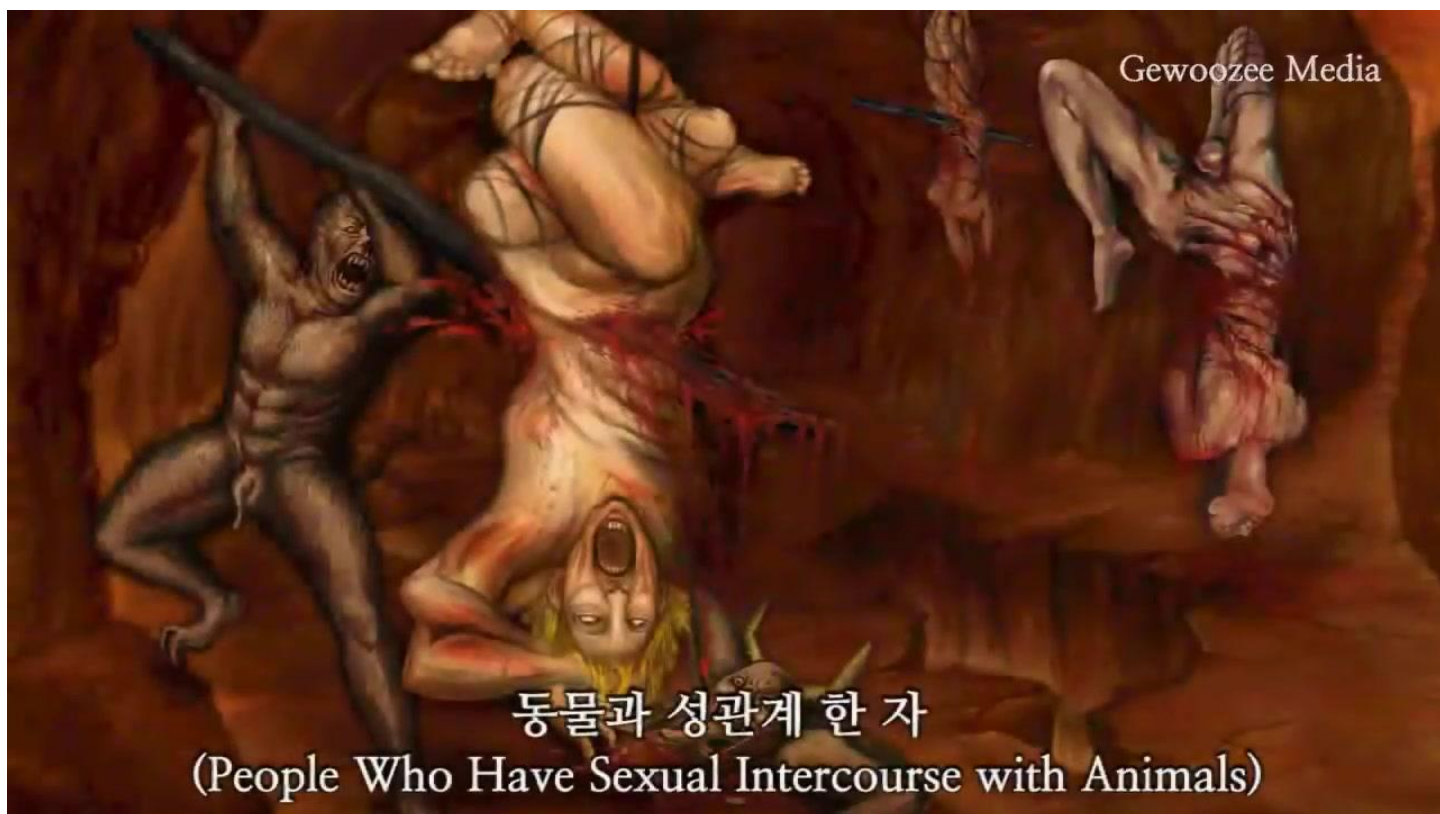

When the machine began to run, the hands and feet that were bound began slicing off.

The image shows a man standing on a platform, his arms and legs bound to a large, dark, mechanical guillotine. The machine has a large blade that is about to descend. A crowd of people is gathered in the background, watching the scene. The ground is dark and wet, and there is a pool of blood on the right side of the platform.

The body was sliced thinly and passed through the machine like a bank receipt running through the cash register

The image shows a man lying on the platform of the guillotine, his body sliced into thin pieces. The machine is covered in blood and body parts. The background is dark and ominous.

The spirits in hell screamed for their life to be spared but I saw satan below them collecting the dripping blood and drinking it.

Ten satans inserted ten 20-meter long spears into the woman's vagina all at once and twisted stirring them inside her.

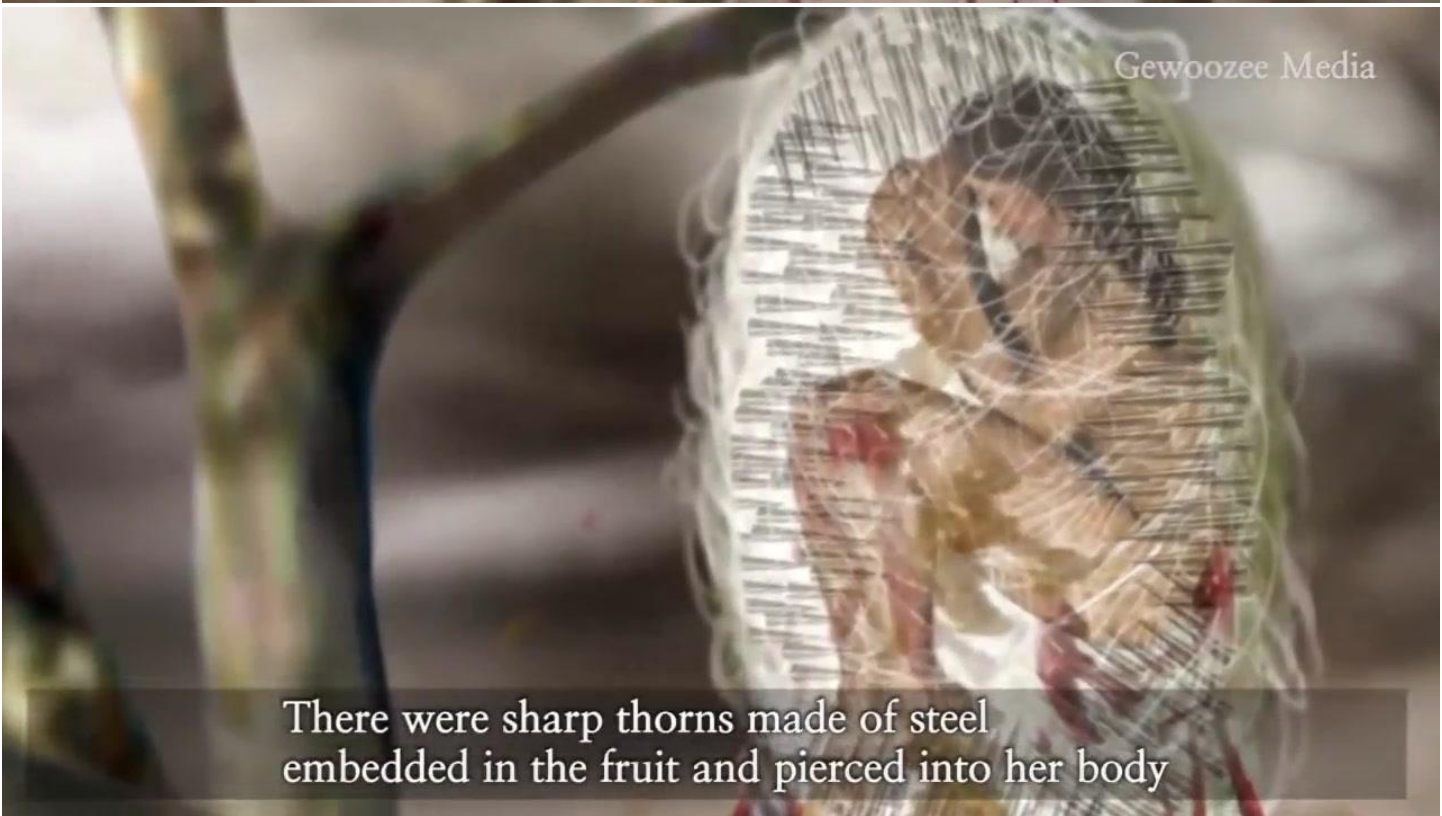

낙태자 지옥  
(Hell for those who have abortions)

A person is curled up inside a transparent, fruit-like structure that hangs from a tree branch. The structure is covered in sharp, dark thorns. The person's body is visible through the transparent material, and they appear to be in a fetal position. The background is a blurred, natural setting with more tree branches and foliage.

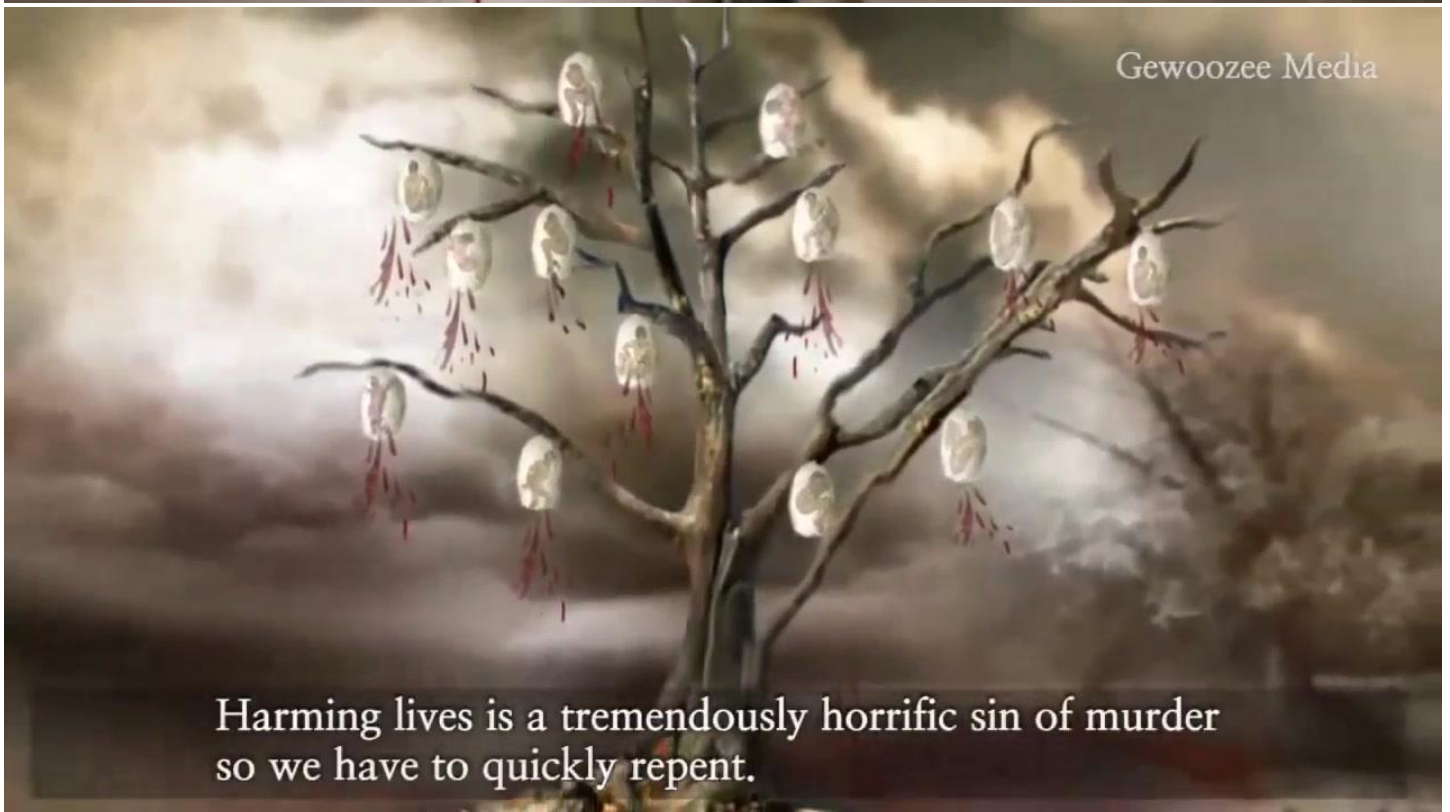

There was a naked spirit curled up inside that fruit like a fetus inside a womb.

A close-up shot of the person inside the transparent, thorny structure. The person's face and upper body are visible through the transparent material. The thorns are sharp and dark, and some are embedded in the person's body. The background is a blurred, natural setting with tree branches and foliage.

There were sharp thorns made of steel embedded in the fruit and pierced into her body

This place was filled with people who chased after their own pleasures, did not bear any children but kept aborting them.

Harming lives is a tremendously horrific sin of murder so we have to quickly repent.

주님:

and commit this act habitually.

육적 사랑을 전부로 보는 자들이다.

You did not realize the essence of love  
nor can you feel an abundance of love in spirit.  
You are people who think that physical love is everything.

사랑은 마음의 사랑, 정신적 사랑, 영의 사랑이 큰 것이다.  
하체의 썩은 사랑은 그야말로 죽은 사랑이다.”

When it comes to love,  
the love of the heart, mind, and spirit is the greatest.  
The rotten love of the lower body is actually a love that is dead."

Satans put a man on top of a big cutting board and began to cut the man's penis.

The man screamed and his whole body began to convulse.

One woman was stripped naked  
and dragged on a floor of hot sharp rocks.

This woman was unable to overcome her desires  
and tried to satisfy her physical desires through masturbation.

There are so many paths in this world

It may seem that life consists of thousands of paths

지금껏 보여드린 지옥은 지옥의 극히 일부분으로써  
죄의 가짓수가 많은 만큼 지옥의 종류 또한 너무 많습니다.

The Hell that has been shown to you until now  
is only a fraction of Hell but there are so many types of Hell  
as much as there are types of sins.

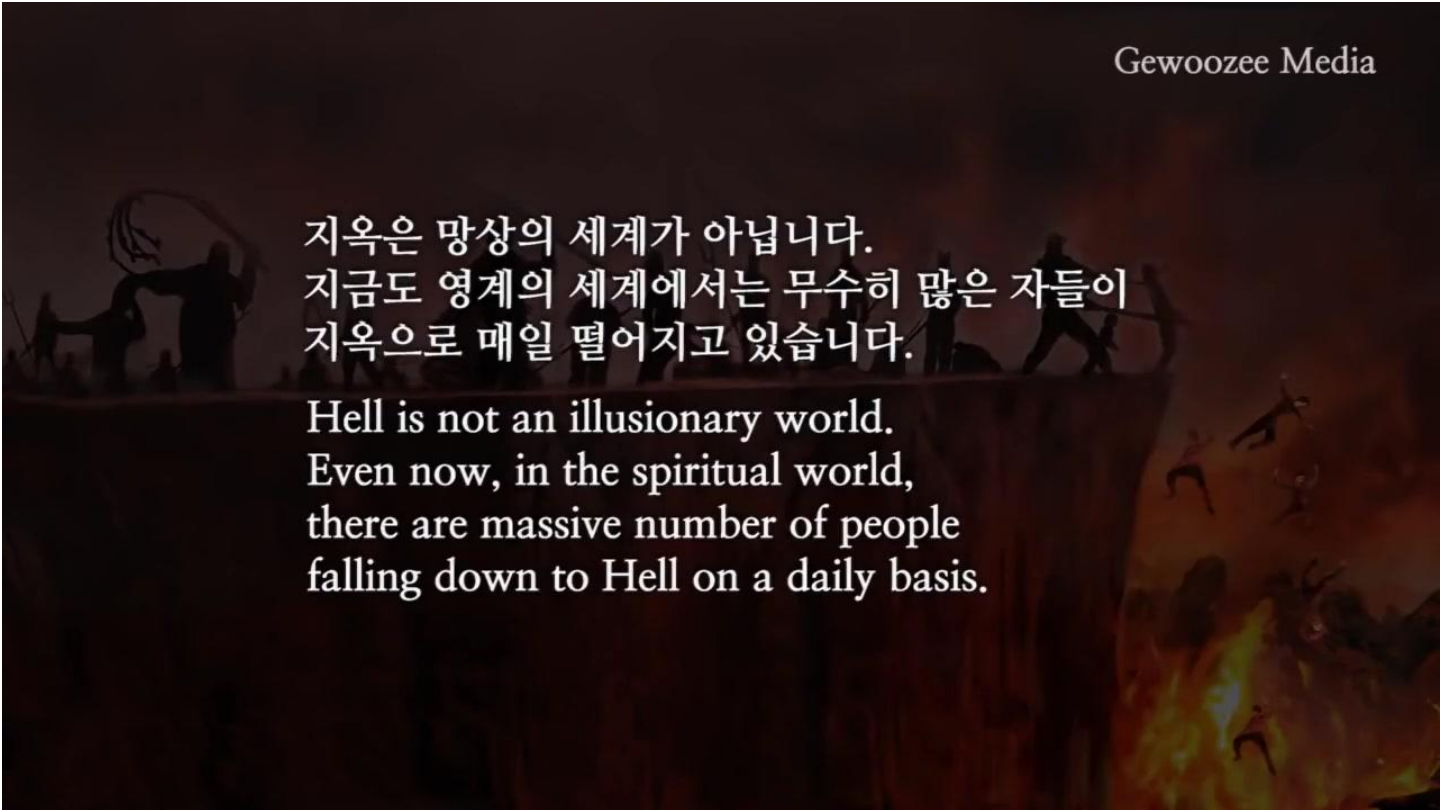

우리는 그 죄의 기준을 정확히 판단할 수 없기에  
자신도 모르게 짓는 죄들이 계속해서 쌓여갑니다.

We cannot judge the standards of those sins accurately  
so sins that we do not even know that we are committing  
continue to pile up.

지옥은 망상의 세계가 아닙니다.  
지금도 영계의 세계에서는 무수히 많은 자들이  
지옥으로 매일 떨어지고 있습니다.

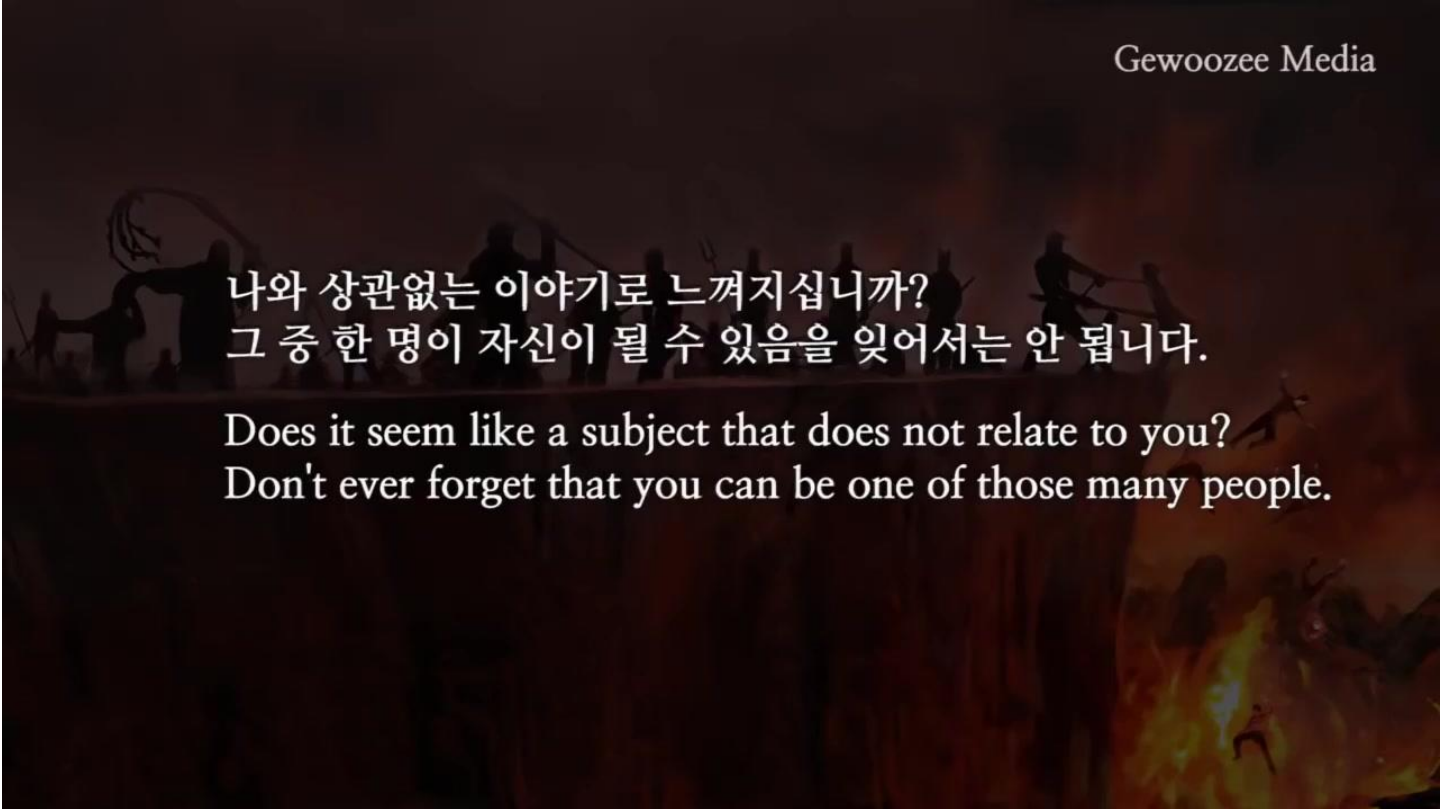

Hell is not an illusionary world.  
Even now, in the spiritual world,  
there are massive number of people  
falling down to Hell on a daily basis.

나와 상관없는 이야기로 느껴지십니까?  
그 중 한 명이 자신이 될 수 있음을 잊어서는 안 됩니다.

Does it seem like a subject that does not relate to you?  
Don't ever forget that you can be one of those many people.

The background of the top panel is a dark, ominous scene. It features silhouettes of figures in a hellish environment, with some figures appearing to be in pain or being tormented. A bright, fiery light source is visible on the right side, casting a glow over the scene. The overall atmosphere is one of despair and punishment.

지옥에서 후회하고 회개해도 소용이 없습니다.  
영원히 그 위치를 벗어날 수 있는 방법이 없습니다.

There is no point in regretting and repenting in Hell.  
There is no way to get out of that position...forever.

The background of the bottom panel is identical to the top panel, showing a dark, hellish scene with silhouettes of figures and a fiery light source on the right. The overall atmosphere is one of despair and punishment.

누구든지 죽음 이후에는 자기의 행위대로  
결과체의 세계가 기다리고 있음을 꼭 기억해야 합니다.

You have to keep in mind  
that a world that rewards you according to your deeds  
is waiting for you after your death.

회개하고 돌아킬 수 있는 기회는 오직 지구에서의 삶 뿐입니다.

The time of opportunity when you can repent and turn back  
is only during your lifetime on earth.

이 영상을 통해 지옥이 있다는 것을 정확하게 알고  
한 명도 지옥에 가지 않기를 원하시는  
주님의 애타는 심정의 호소를 가슴깊이 새기시길 바랍니다.

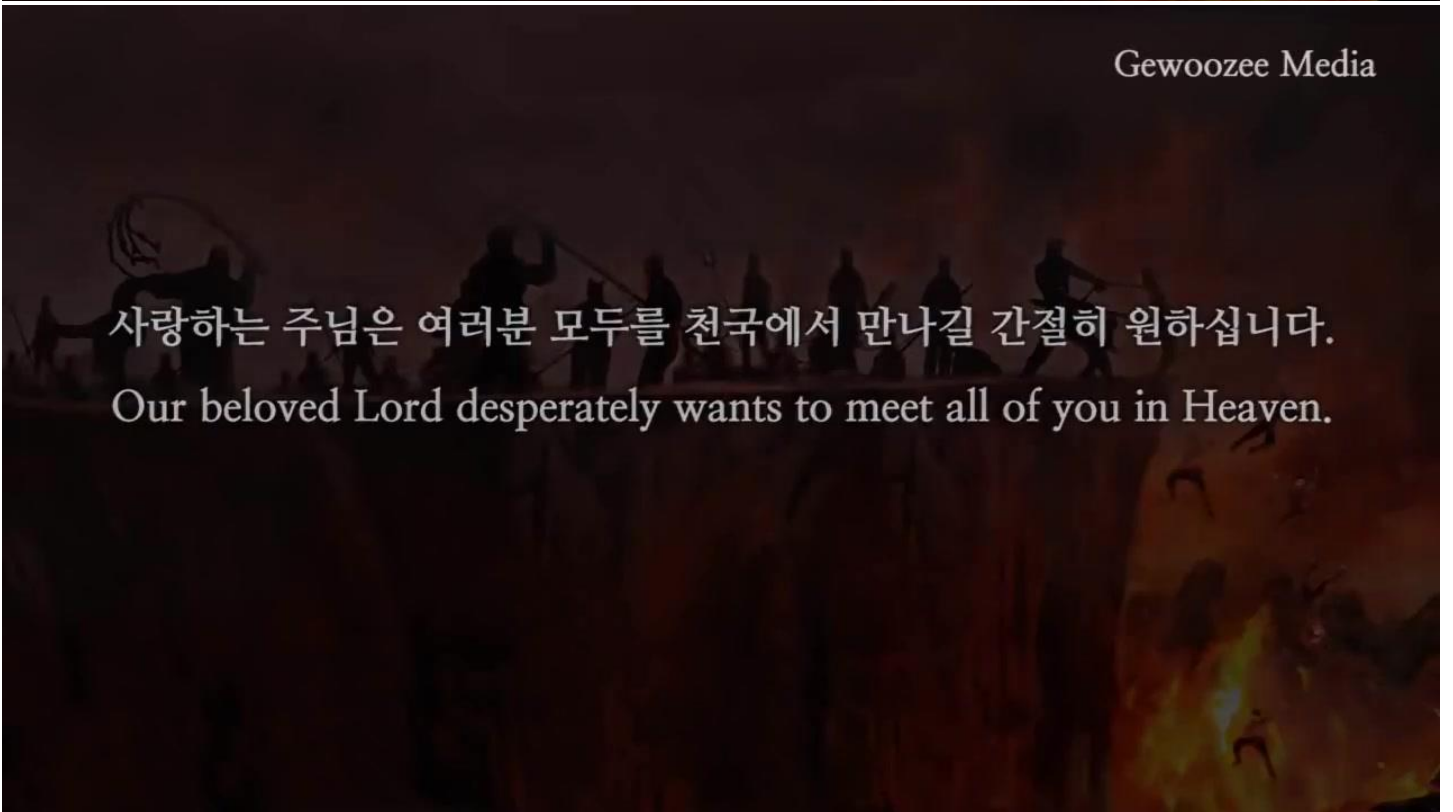

Through this video, understand clearly that there is definitely Hell.  
Engrave deeply in your heart  
that the Lord cries out to us with a burning heart  
because He does not want any one of us to go to Hell.
